To Whom It May Concern:

Curly's Harley Davidson purchased an existing building and decided to go with Preferred Builders of the Triad for maintenance of our floors. We looked at a sample at the Black Cadillac store in Greensboro and we were so impressed with their showroom in the service department, we decided to have them do the lower level of our building.

Since that time, Preferred Builders have been back and did a polishing & buffing of the floors for our Grand Opening/Open House event.

We have been extremely impressed with their professionalism and highly recommend them for any flooring job.

Sincerely,

Tracy Crisp
General Manager
